Amazingly well connected

It's not (just) what you know. It's who you know.

Across the L&D sector, one recruitment name stands out: Blue Eskimo. And for the right reasons. We don't just serve the sector, we're a part of it. We network at all of the industry events, we take part in sector studies and surveys (and do some of our own) and we generally rub shoulders with the best L&D talent. And that's just when we're not recruiting. We're amazingly well connected – and this enables us to do what we do, and do it well.
